6. Grievance Redressal Process

Level 1: Informal Resolution

- Employees are encouraged to speak to their **immediate** Lead or Mentor/CEO in a private and respectful setting to resolve minor concerns quickly.

Level 2: Formal Escalation

- If unresolved, the employee may submit a formal grievance by emailing ***hr@aycanalytics.com*** (or directly to the CEO/Founder), or by providing a verbal or written note to the CEO/HR Proxy.
- A formal grievance must include incident details (date/time), parties involved, the nature of the grievance, and any desired resolution.

Level 3: Internal Committee Review

- For complex or multi-person issues, a temporary Grievance Panel may be formed, typically consisting of a neutral lead, the CEO, and optionally a Mentor or Senior Advisor.
- A decision will be made within 15 working days.

Level 4: Closure & Feedback

- A resolution is communicated.
- A closure note is shared with the complainant and *filed* confidentially.
- Follow-up steps (training, mediation, written warning, etc.) are taken if required.

7. Responsibility

- **Employees:** Are expected to report grievances in good faith and with respect for the *confidentiality* of all individuals involved. Sharing details of a grievance with uninvolved colleagues may lead to misunderstandings and disrupt workplace harmony; and *cooperate* in the investigation.
- **Reporting Manager/Leads:** Address issues sensitively and take initiative.
- **HR Department**: Responsible for ensuring a fair resolution process, maintaining records, and escalating unresolved grievances.
- **CEO/Mentor:** Resolve critical cases and ensure fairness.

8. Special Cases & Exceptions

- **POSH**-related matters are handled exclusively by the *Internal Complaints Committee (ICC)* as per law.
- Anonymous complaints will be investigated only if credible evidence or pattern is found.
- Frivolous or false allegations may result in disciplinary action.

7. Amendment & Review

This policy is subject to review every 12 months or upon significant legal or organizational changes. Amendments will be made after due consultation with legal advisors and approval from senior management.
